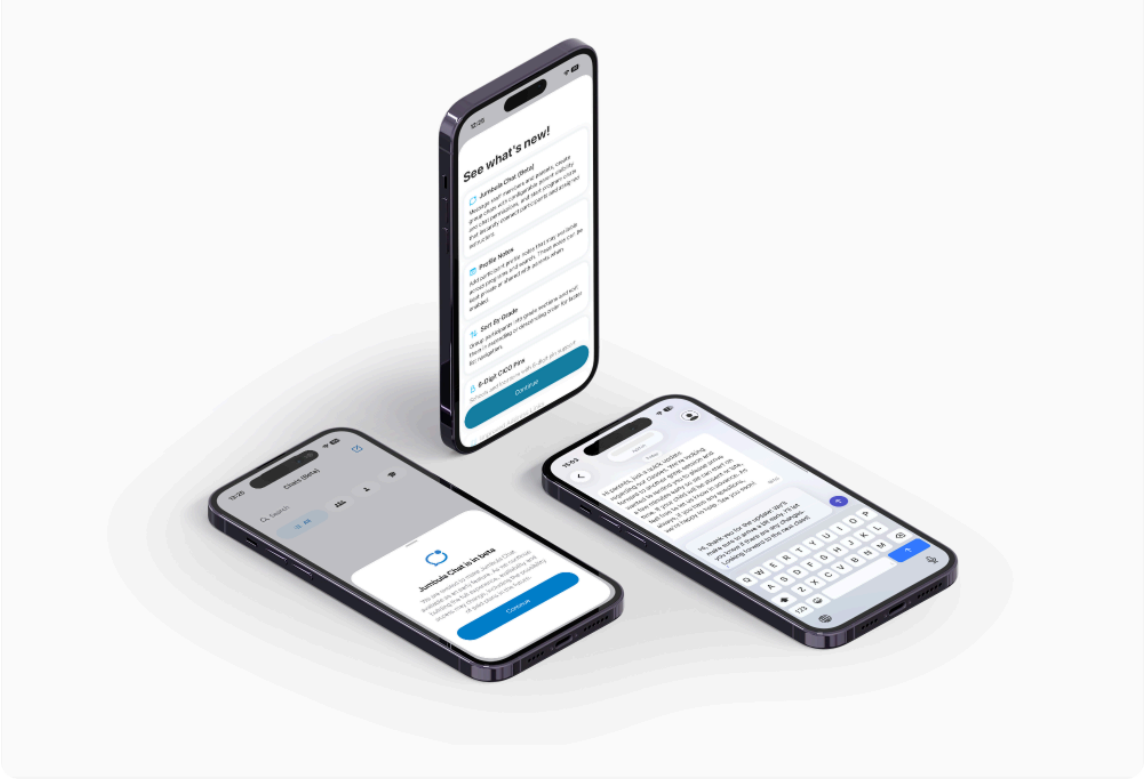
📺 **Your Program, Your Story**

📣 Recent updates

💬 Introducing JBChat (Beta)

JBChat is now available in beta across **iOS, Android, the Business App, and My Jumbula**. This new feature enables seamless communication between staff members and allows authorized staff to connect with parents.

With **JBChat**, you can create group chats and customize settings—such as allowing parents to participate or keeping them as read-only. Program-based chats can also be created automatically, making it easy to communicate with all enrolled parents in one place.



For more information about JBChat, please visit our knowledge base article below.

📺 Your Program, Your Story

Explore **Pacific Summer High School Institute**, a dynamic program offering high school students the opportunity to engage in enriching academic courses, hands-on learning experiences, and personal growth in a supportive summer environment. Powered by **Jumbula**, the program benefits from streamlined registration, efficient program management, and enhanced accessibility, making it easier for students and families to connect with valuable summer learning opportunities. You can read the full story here.
